DOCKET NO. 2007-14-C - Petition of US LEC of South Carolina, Incorporated (US LEC) for Expedited Review of Central Code Denial by the Number Pooling Administrator in the Summerville Rate Center

Mr. Terreni:

The Office of Regulatory Staff (ORS) has reviewed the above referenced Petition as well supporting documentation and finds that the public interest will be served by granting US LEC's Petition. Our examination revealed that the North American Numbering Plan Administration's denial of US LEC's request for additional numbering resources will impair the ability of US LEC to provide the services sought by a South Carolina consumer. After consideration of the information provided and the customer impact, ORS supports US LEC's Petition.

Sincerely,
